

Last week Friday, I went to Pathlight School to celebrate racial harmony. I met my friends, Daniel, Hui Qing, Joshua, Junwei, Sean, Adela, Ron and David. When I was in school, I painted the Indian lamps. Then, I weave ketupat mats and I wrote mandarin words at the Chinese Calligraphy station. Lastly, I made toranam for Deepavali Festival. During recess, I ate curry puff, youtiao, chee cheong fun, samosa, roti prata, thosai and tang yuan. While I was eating, I met Kai Min. He was sitting beside me and said: "Hey, Ruiyang". I was busy eating and he talked to me: "Next year you're in P5". And I said: "Next year you're in Sec 2". After playing all the stations, we were all tired. And we had a lot of fun. When Racial Harmony celebration had ended, we went home. During dismissal I was the Traffic Warden. After Traffic warden duty I went home.
