

Communication Update

1 February 2006

Dear Parents/Guardians,

ORAL DIGITAL THERMOMETERS

As you may be aware, our school has continued to remain vigilant to the need to safeguard the health of pupils by ensuring that processes are in place for the swift re-activation of temperature-taking measures if necessary.

To help us be ready for future temperatures taking exercises, we would like to provide your child with an Oral Digital thermometer.

Please put the Oral Digital thermometer in your child's school bag daily. We would need your child to bring it to school for future temperature taking exercises.

Thank you for your support and co-operation.

Yours sincerely,

Ms Anne Chew
Head of Student Affairs

Cc: Ms Denise Phua
School Supervisor/Acting Principal
