

# Communication Update

24 May 2006

Dear Parents,

## Session to Assess Your Child's Pre-Vocational Skills (Einstein Class)

In our continuous effort to partner you to potentially develop vocational skills for your child, you are requested to join us in a session to help assess their skills. This session aims to gather information on the current skills level of your child and help steer the class towards a more holistic skills development plan. This is an important and crucial step in your child's educational journey at Pathlight so please partner us and give us your support!
