

Dearest Pathlighter

How are you all getting on? I hope you are all enjoying your holidays. It is very important that you enjoy yourself thoroughly. This way, you will feel refreshed and ready to start a fresh new term. I hope you have made good use of the long holidays and kept in touch with school work as well. I look forward to seeing all of you again soon. Tell you a secret- the teachers and I miss all of you very much. Till we see you again. Bye..

Lots of love
