Dear Parent/Guardian,

MORE AT ONCE E-LEARNING ACCESS FOR YOUR CHILD

A very warm welcome to you! Thank you for selecting to place your child in Pathlight School. We are indeed very happy to be your partners in providing a quality education option for your child. We are quite certain it would be an enriching, happy and meaningful experience.

We would like to take this opportunity to inform you that Pathlight School has subscribed to MoreAtOnce, a fully web based e-learning programme to help our pupils learn at their own pace and at their own time.

MoreAtOnce typically covers all topics in the latest Singapore Syllabi for primary and secondary mainstream education. The content covers curriculum-based tutorials, interactive learning activities, quizzes and other relevant resources. Pupils can click on any subject for their independent self-paced learning at home.

From time to time, teachers may assign pupils online homework assignments. We encourage you to play an active role in ensuring that your child accesses MoreAtOnce regularly to review what has been taught throughout the year.

MoreAtOnce can be accessed from the following website: <http://www.lead.com.sg>. All pupils are given an account from which they will be able to access MoreAtOnce through the internet.

Please see attached for the Login Guide and password accounts for students. If you encounter difficulty accessing the account, please let the class teacher know.

We hope that you will enjoy this additional value-added resource that the school has provided for your child. We look forward to a positive and close collaboration with you. Thank you for being a Pathlight parent partner.

Yours sincerely
