- be engaged in the process of building a robot.

The details of the training sessions are as follows:

How you can help:

- Please ensure that your child turns up for the training and has pocket money/food for lunch.

- Kindly arrange for the necessary transport to pick your child up after the training ends at **4.00 pm**.

In the event that the training is cancelled on certain weeks, the teachers-in-charge will inform the students involved.

We would appreciate it if you could complete the attached consent form and submit to your class teacher by **Monday, 24 July, 2006**. For further enquiries, you may contact Mr Halim at 6459 9951. Thank you for your support.
