

Communication Update

11 August 2006

Dear Parents/Guardians,

Written Individual Education Plan (IEP) for All New Track 1 Students

We refer to the earlier Parent Communication Update dated 1 August 2006.

IEP is an important feature in Pathlight. With close to 300 students and our need to also follow the mainstream academic curriculum, a face to face IEP meeting for every student is becoming logistically challenging. We are still trying to develop a process that can balance the needs of all parties involved.

Please be reminded that Track 1 students who have just joined Pathlight on 26 June 2006 will not have face to face IEP meetings conducted unless teachers or parents have requested for face to face IEP meeting. However, they will all have a written IEP. All Track 1 students will have a face to face IEP review meeting from October to November 2006.

As enclosed, please see the Parent IEP Input Form. We would appreciate it if you could fill up the form on the parts marked *.

Kindly return the form to the class teacher within 1 week after receiving it.

Thank you for your cooperation.

Best Regards,
