

# Communication Update

25 September 2006

Dear Parent/Guardian,

## RE: TRACK 1 & P1 PUPILS

We are in the midst of projecting next year's student enrolment and need your help. As you know, the school is operating at over-capacity and we have many children on the waitlist for Pathlight's school admission. Some of you might have obtained a place at other schools due to P1 registration.

By now, you would have witnessed some changes in your child, hopefully positive ones since he/she has joined Pathlight. His class teachers would have also given you bi-monthly feedback on your child's progress at Pathlight.

We are writing to ask if you want your child to benefit from receiving the more individualized education at Pathlight School or other education options. Please help us in our planning process so as to benefit other children who need Pathlight's help too.

If your child is ready to leave, please de-register him from Pathlight School with effect from 1st January 2007. If your child would benefit from a more individualized and rounded education at Pathlight School, please advise us accordingly.

For the benefit of your child, we ask you to think through your decision seriously in order not to negatively impact your child's life.

Please return the attached Reply Slips to the Class Teacher by **6 October 2006 (Friday)**, in order to help us decide how many new places are available next year for other interested potential students. You may wish to email me at [queries@pathlight.org.sg](mailto:queries@pathlight.org.sg) or call me at Tel:6459 5635 if you have any queries.

The school's resources are tight and we would deeply appreciate that you make this decision carefully.

Yours sincerely,

Ms Anne Chew  
Head, Students Affairs & Operations  
Pathlight School

Ms Annie Tan & Ms Loy Sheau Mei, Track Heads
