

Communication Update

26 September 2006

Dear Parent/Guardian,

RE: FEEDBACK TO SCHOOL BUS OPERATOR

Please refer to the earlier note that we had sent on the above dated 1 September 2006.

As per most schools, school bus arrangements are made between the school bus operator and parents and not by the school. However, the school will try to facilitate the communication.

We have also received several feedback from other parents regarding the above, some positive and some negative.

As a school, we would like to facilitate a closed-door session between Mr Soh and interested parents to exchange views. This session will help to consolidate all views. If the school bus transport does not address your needs, this session can also be used to explore other flexible modes of school transport like car pool or taxi pool.

Details of the session as follow:

Date: 7 October 2006 (Saturday)
Time: 2-3.15 pm
Venue: Pathlight School Multimedia Room

If you are interested to attend the close-door session, please submit the reply slip to the class teacher by **29 September 2006 (Friday)**.

Yours sincerely,

Ms Anne Chew
Head, Students Affairs & Operations

Cc Ms Denise Phua, School Supervisor/Acting Principal
Ms Annie Tan & Ms Loy Sheau Mei, Track Heads
Mr Soh Kim Hock, School Bus Operator
All staff

Response Slip (Please complete and return to class teacher by Friday, 29 September 2006)
