

# Communication Update

3 November 2006

Dear Parents/Guardians,

## **SIGN UP FOR HOLIDAY ENRICHMENT PROGRAMMES @ ARC**

Greetings from Pathlight! It is the school's desire to ensure Pathlight students are meaningfully engaged during the year end school holidays. This is especially critical so that our students do not lose the valuable skills they have learnt during the year.

We have engaged ARC's Enrichment and Outreach Team to organize and give priority to Pathlighters for the following autism-friendly Holiday Programmes. In total, there are now **13** exciting possibilities.

Please take note as you consider the programmes detailed in the attached flyer:

- Your child will enjoy a lower special fee as a Pathlight student for some of the programmes
- You are encouraged to use your child's **Edusave** balance **BUT** take note that the younger students may not have sufficient balance. You can call MOE's Edusave Hotline Tel:6260 0777 to check your child's Edusave balance. Please get ready your child's BC number. Kindly take note that Track 1 students, Singapore Permanent Residents and foreigners are **not** entitled to Edusave.
- Please sign the attached Edusave Form (one for each event) and pay the rest in cheque to "**ARC (S)**"
- If your child is a **MILK Fund** recipient and has not utilised the \$300 MILK Fund set aside for holiday programmes, we strongly encourage you to do so before the end of this year. Unused MILK Fund will be forfeited.
- Please give permission using the attached form to allow ARC and the School to use **photos and videos** of pupils taken during the programmes. They will be used for communication purposes within and outside school. It is especially important for others outside to know that our students are not disabled.

Please return the registration and relevant forms with cheque payment to your class teacher latest by **November 9 (Thursday), 2006**. ARC is expecting an overwhelming response so please register earlier. If you have any queries, please contact Mr Dennis Tan at [dentanks@pacific.net.sg](mailto:dentanks@pacific.net.sg) or Tel:9660 8158.

We look forward to your continued support.

Yours sincerely
