

Communication Update @ Feb 07

18 January 2007

Dear Parents/Guardians,

MORE AT ONCE E-LEARNING ACCESS FOR YOUR CHILD

Pathlight School has earlier subscribed to MoreAtOnce, a fully web based e-learning programme to help our pupils learn at their own pace and at their own time.

MoreAtOnce typically covers all topics in the latest Singapore Syllabi for primary and secondary mainstream education. The content covers curriculum-based tutorials, interactive learning activities, quizzes and other relevant resources. Pupils can click on any subject for their independent self-paced learning at home.

From time to time, teachers may assign pupils online homework assignments to pupils. You play an important role in ensuring that these are completed. You can also ensure your child accesses MoreAtOnce to review the curriculum throughout the year.

All pupils are given an account which they will be able to access MoreAtOnce from anywhere through the internet.

Please see attached **Annex A** for the login process. If your child encounters difficulty logging in, please inform the class teacher about it.

We hope that you will enjoy this additional value-added offering that the school has provided for your child.

Thank you for being a Pathlight parent partner.

Yours sincerely,

Ms Anne Chew
Head, Student Affairs & Operations

Cc Ms Denise Phua, School Supervisor/Acting Principal
Ms Loy Sheau Mei, Ms Annie Tan & Mrs Mary Gilbert, Track Heads
All Class teachers (non-PP teachers)
