

# Communication Update

26 February 2007

Dear Parents/Guardians,

## **Social Integration on Wednesday, 7 March 2007 Invitation to Raffles Institution Boarding School (RIBS) Dinner**

We are pleased to inform you that our great partner, Raffles Institution Boarding House Management has once again invited Pathlight's students to a formal dinner.

The dinner is an occasion for the entire boarding school community (comprising local and foreign students from RI and many top schools in Singapore) to interact.

The programme consists of:

- western style formal dinner
- musical performance items
- experience-sharing by a teacher from India who is here at Singapore for an exchange programme

We would like to invite your child once again to the dinner. The dinner will serve to cultivate closer relationships between Pathlight and RIBS students. The students had the initial introduction at the first dinner. It will take several dinners to deepen the existing relationship between the students.

We are privileged to be invited to the dinner. Unless your child has other important commitment, he/she is expected to turn up for this occasion as part of our social integration programme.
