Dear Parents/Guardians,

Social Integration Event: Invitation to Raffles Institution Boarding School (RIBS) Dinner

We are pleased to inform you that our partner, Raffles Institution Boarding House Management has once again invited Pathlighters to a formal dinner.

The dinner is an occasion for the entire boarding school community (comprising local and foreign students from RI and many top schools in Singapore) to interact.

This tradition is much cherished as our Pathlighters always enjoy their interactions with their RI friends, as well as the fine dining exposure. The evening's highlight includes a sharing by an ex RI-boarder on his overseas University experience in the USA.

We would like to invite your child once again to this special dinner. The upcoming evening will serve to cultivate even closer social relationships between Pathlighters and RIBS students.

We are privileged to be invited to this dinner. Unless your child has other important commitment, he/she is expected to turn up for this occasion as part of our social integration programme.
