

COMMUNICATION UPDATE

15 May 2007

Dear Parents/Guardians of _____

Pathlight Team at the Learn@TheLibrary Competition.

We are pleased to inform you that your child has been selected to represent Pathlight at the Learn@TheLibrary competition.

The Learn@TheLibrary is an educational event organized by the Ministry of Education to facilitate learning in a stimulating environment. It aims to cultivate a desire to read by exposing the students to a variety of print and non-print resources via research-based activities.

The event encompasses two competitions - **TwinQuests@TheLibrary** and **Blogazettes**.

Details are as follow:

Twin Quests@TheLibrary - on 28 May 2007
Students will be stationed at 2 venues: Jurong Regional Library and Woodlands Regional Library. The students at both venues will be given clues, and they can communicate via the online chatroom using wireless-enabled devices to complete the contest. (Details will be given after the Teacher's Briefing by MOE)
Blogazettes – due on 25 June 2007, 5pm
Each team is to publish articles in an e-magazine, which includes a review of one of the selected short stories for the National Library Board's (NLB) READ! Singapore 2007 and articles highlighting the team's experiences during Twin Quests@TheLibrary. The theme is 'Ties that Bind'. Teams may use components such as digital illustrations, text, digital photographs and audio/video clips for their blogazettes.

The teachers in charge of the event are Ms Koh Hwee Ping and Ms Goh Fong Yin. To better prepare the students for the event, they will brief the students closer to the date of the competition.

We seek your support to allow your child to participate in the competition. The event seeks to expose your child on the use of IT communication devices. It also allows him to journalize his experience using different IT platforms. This will give him a chance to practise what he has learnt during the IT lessons at Pathlight. We are confident that he will find it an interesting experience.

Kindly return the reply slip to the class teacher by **18 May 2007, Friday.**

We look forward to your child having a great time at Learn@TheLibrary event.

Yours sincerely,

Ms Linda Kho
