

## COMMUNICATION UPDATE

3 August 2007

Dear Parent/Guardian,

### **New Beethoven Class**

We would like to inform you that we will be merging Beethoven and Columbus classes from **6 August 2007**.

The new class, which will be called **Beethoven**, will have 8 students. We have been closely monitoring these classes and believe this move will provide the students with better group dynamics for social and educational learning. The students have also settled in well and this will help them further improve on their group learning skills.

The class will be managed by Ms Safarizah Abu Bakar and Mrs Karen Ling. They will also be supported by Buddy Teacher Mrs Sabina David.

These teachers have been working with the children since the beginning of the term and have also been slowly preparing them for this move. The teachers will continue to work closely with Preparatory Pathlight Track Head, Ms Annie Tan, and our Autism Consultants. If you do have questions, please feel free to communicate with your teachers through the Communication Handbook.

We thank you for partnering us in your child's learning journey.

Yours sincerely,

Ms Linda Kho  
Chief Operating Officer
