

## **COMMUNICATION UPDATE**

**9 October 2007**

Dear Parents/Guardians,

### **UPDATE**

#### **CHILDREN'S DAY CELEBRATION , 28 September**

The Pathlight teachers pampered our students with an exciting morning of performances. They were thrilled by the plays, song items and even hip hop dance performed by the teachers and staff.

In addition, our Primary 3 – 4 students were treated to a Children's Day party organized by volunteers from Nanyang Polytechnic. They had a fun time of games and performances, which culminated with a delicious lunch.

#### **MID AUTUMN FESTIVAL ACTIVITIES**

The month of September saw many of our students celebrating Mid Autumn Festival. Selected Secondary students were invited to join the Ang Mo Kio Secondary students as they celebrated the Festival with an array of performances.

In addition, the Love Foundation very graciously extended invitations to selected students and families, to an evening of performances and a sumptuous dinner to mark the special occasion.

#### **WINNER OF THE CREDIT SUISSE VERY SPECIAL ARTS AWARD**

Our talented Secondary student, Muhd Noh (Mulberry class), topped the Youth Category of the recent Credit Suisse Very Special Arts Award. He wowed the judges with his beautiful painting of an orca. Congratulations, Muhd Noh!

### **UPCOMING EVENTS TO WATCH OUT FOR**

#### **OVERSEAS LEARNING TRIP TO BEIJING, 17 – 22 October**

Eleven Pathlighters who have just taken their PSLE and GCE 'N' Levels, will be going on an overseas learning trip to Beijing, accompanied by a team of teachers. The school trip enables the students to be independent and gain life exposure

traveling overseas. They will be staying at the Hope Foster Home in Shun Yi, Beijing, which takes in abandoned and orphaned babies and toddlers. Students will learn to serve the Home by helping in tasks, including painting the home and planting crops. They will also get to visit attractions such as the Great Wall of China and Forbidden City.

### **LATECOMERS TO SCHOOL**

Parents who accompany late students to school (after class has commenced) will have to bring your child to the General Office. Our staff will then accompany your child to class. This rule applies to ALL students.

However, punctuality is an important discipline that we need to instill in our students and we ask for your co-operation.

### **PUBLIC HOLIDAY – SCHOOL CLOSURE**
