The learning journey

COMMUNICATION UPDATE

5 December 2007

Dear Parents/Guardians,

UPDATE

TERM OUTINGS, 17 – 22 October

- Preparatory Track - 12 & 16 NOV

The PP students enjoyed a very educational visit to the **Gardenia Bread Factory**. The students viewed the process from dough making to the finished product with fascination. They sampled on a variety of bread and learnt the goodness of bread and importance of a healthy lifestyle.

- Track 2 Primary 1 – 6 students & Track 3 (Handel, Chopin, Mozart, Einstein, Edison and Galileo) Students, 16 NOV

The students were awed by the various water species at the Underwater World, Sentosa. They also got to see the pink dolphins do their acts at the Dolphin Lagoon. Thanks to the more than 90 volunteers from Hewlett Packard (HP), our students enjoyed their company and goody bags.

- Secondary School Students, 7 NOV

Secondary School students thoroughly enjoyed the Chinatown Heritage Tour. They learnt about our forefathers' lifestyles through captivating exhibitions and multimedia in the Chinatown Heritage Centre. The support from the Singapore Management University (SMU) volunteers was also an excellent opportunity for social integration as they participated in a fun 'Amazing Race' style in Chinatown together.

PARENTS COMMUNICATION & TRAINING NIGHT, 15 NOV

Important information on school policies and directions were shared with parents at the Parents Communication & Training Night on 15 November.

We would like to emphasise that this is an important event. Your presence plays an important part in ensuring a fruitful learning journey for your child.

We thank all parents who had kept the commitment to attend the event.
