

1 February 2008

Dear Parents/Guardians,

2008 TERM 1 PRACTICE PAPER DETAILS FOR TRACK 2 & 3 STUDENTS

Please find below details on the upcoming Practice Papers. Children on Medical Leave on the day of practice paper will have to produce a medical certificate from the doctor.

Some Tips for Parents:

Please set up a schedule for your children at home, so that there is a time for study, rest and play.

Do keep a balance between helping your child and pushing him/her unrealistically as we realize different parents support their children differently. This assessment only evaluates your child's academic skills. It is also important that other non-academic subjects such as social skills and life readiness are not overlooked.

Please do not hesitate to approach your teachers or Track Head if you have any queries.
