Dear Parents/Guardians,

SECONDARY SCHOOL TERM 1 OUTING

The Term 1 outing for Secondary School students will be a learning field trip to Sungei Buloh Nature Reserve.

This term, we continue the partnership with Singapore Management University (SMU) students in 2008 to present an educational and experiential programme that will focus on science (flora & fauna) and environmental conservation. Students will learn to appreciate the natural mangrove swamp environment. They will also be inspired by the lively commentaries and explanations on the flora and fauna by the SMU volunteers.

The program also aims to hone students' daily living skills and social skills. The outing will include a trip to Causeway Point shopping mall where students will be given opportunities to interact and experience social and living skills in a public environment.
