Dear Parents,

LOG ON TO SCIBERDIVER, LATEST MOE SCIENCE PORTAL FOR STUDENTS

You are strongly encouraged to ensure that your child logs on to www.sciberdiver.edu.sg.

What is Sciberdiver?

- Sciberdiver is a MOE web portal containing a repository of the best science websites.
- The syllabuses have been specially selected to match the learning objectives in the Primary and Lower Secondary science syllabuses. They are mapped closely to the Themes and Topics covered in the 2008 science syllabus.
- The range of e-resources includes simulations, text, images, videos, games, quizzes and lesson plans.

How to use Sciberdiver?

1. Simply go into the website www.sciberdiver.edu.sg. No need for registration or fees.
2. Students can choose the level specific to them.
3. From each level, there is a range of scientific topics that students can choose from.
4. Follow the instructions on the website on how to use the site.

We believe your child will have great time learning with this very interactive website!

Yours sincerely,

Ms Linda Kho
Principal
