

COMMUNICATION UPDATES

4 July 2008

Dear Parents/Guardians,

Warmest Greetings! It is good to welcome all the students back for Term 3.

HIGHLIGHTS FROM TERM 2

EXPLORER KID – PRI 3 OUTING, 15 MAY

Our Primary 3 cohort visited the Explorerkid Family Park and were challenged physically and mentally as they attempted the activity stations in Singapore's largest indoor playground. They climbed a 3-metre rock-climbing wall which helped to boost their self-confidence, agility and balance. The outing was definitely an exciting adventure that put many skills they learnt during Gym and PE lessons to test.

PARTICIPATION AT PLMGS' EVENT: VOICES FOR ANIMALS, 20 MAY

Our Primary 6 and Track 3 students enjoyed an interesting, innovative and interactive carnival which educated students on various animal-related topics. Students were excited to get a close-up view of the animals and learn about responsible pet care and how guide dogs for the visually impaired are trained.

TERM 2 OUTING: SCIENCE CENTRE, 21 MAY

Pathlight Preparatory (PP), Track 2 (Pri 1 – 3) and Track 3 Classes

Interactive displays at the Virus and Human Body galleries and the hands-on activities at the Discovery Zone were the highlights at the Science Centre. Our students were amazed by the almost life-like looking dinosaurs, enjoyed unique experiences such as climbing tree houses at the Ecogarden.

RAFFLES INSTITUTION BOARDING (RIB) SCHOOL FORMAL DINNER, 22 MAY

The tradition continues as our Secondary 1 and 2 students attended the Raffles Boarding Formal Dinner, dressed in their best. They mingled with the Rafflesians at their tables and were treated to an evening of great food and entertainment.
