**Note to Parents:**

- **Students on Medical Leave on the day of assessment will have to produce a medical certificate from the doctor.**
- To ensure that your child is well prepared for each topic, attached is a checklist of the revision topics for his/her Practice Papers.
- Please note that lessons will resume for the rest of the day after each Practice Paper.
- Please help your child use his/her time wisely to prepare for the next paper with sufficient breaks and time for regulation. Do encourage him/her to bring revision materials which can be used between papers.
- Please set up a schedule EARLY for your child at home, so that there is time for study and relaxation.
- This assessment only evaluates your child's academic skills. It is also important that other non-academic subjects such as social skills and life readiness, which will also be assessed by teachers, are not overlooked.
- Please do not hesitate to approach your teachers if you have any questions.
