

COMMUNICATION UPDATES

7 October 2008

Dear Parents/Guardians,

Here are some updates for Term 4.

HIGHLIGHTS FROM TERM 4

MID AUTUMN FESTIVAL AT ANG MO KIO SECONDARY, 12 SEPT

Ang Mo Kio Secondary School organised a special Mid Autumn evening programme in their school, and had graciously extended invitations to our students. They were entertained by student performances and treated to an array of festive snacks. It was certainly an excellent opportunity for social integration for our students.

CHILDREN'S DAY CELEBRATION, 30 SEPT

It was a day of fun and excitement specially put together for the students. From body painting to decorating their own cupcakes, students got to try out many new experiences at the various interactive stations set up. The school hall was a sea of colours as students came dressed in colours of the rainbow. They were treated to song and dance performances from the teachers and staff, including special song items from Ms Kho (Principal) and Ms Loy (Vice Principal). A big thank you to all parents who also helped out at the event.

UPCOMING EVENTS

POST PSLE CUM COMMUNITY INVOLVEMENT TRIP TO BEIJING, 16 – 21 OCT

Twelve Primary 6 Pathlighters will be going on an overseas learning trip to Beijing, accompanied by a team of teachers. The school trip enables the students to be independent and gain life exposure traveling overseas. It will be an excellent opportunity for them to put their daily living skills learnt into practice. They will be staying at the Hope Foster Home in Shun Yi, Beijing, which takes in abandoned and orphaned babies and toddlers. Students will learn to serve the Home by helping in tasks, including painting the home and planting crops. They will also get to visit attractions such as the Great Wall of China and Forbidden City.
