

COMMUNICATION UPDATES

5 April 2010

Dear Parents/Guardians,

We hope you found the training segment on social skills at the Term 1 Parent and Communication Night (PCN) meaningful and useful. We will continue to do our best to plan future training segments based on your feedback gathered from the Caregiver Learning Needs Survey Results, which was also shared at the last PCN.

As we go full swing into Term 2, here are some updates:

HIGHLIGHTS

VISIT BY OUR FIRST LADY, MRS S R NATHAN, 23 MAR

Mrs S R Nathan graced Pathlight School with her visit on 23 March 2010.

Our students were thrilled to meet her as she toured the facilities of the school and interacted with them.

Academics achievements of our students were shared with Mrs Nathan. She also saw their creative works at the Pathlight Mall and observed students at training in the worksites.

Students also had the opportunity to have tea and chatted spontaneously with Mrs Nathan about their interest areas.

Cookies baked by our students at our very own Pathlight Bakeshop were presented to Mrs Nathan at the end of her visit.

Check out www.pathlight.org.sg for other event updates and photos.

reminder **ROAD SAFETY**

We have observed that many students have been jay walking and crossing the road illegally in front of the school. When reminded of road safety during lesson time, students say that they are modeling the action of some adults. The safety of each child is of utmost importance. We appeal to all parents to help us reinforce road safety rules that are taught in class. On the school's part, we will continue to teach students proper road safety rules and have also reminded all Pathlight staff to be good role models.

We thank you for your continued support and partnership.

Warm regards,

Ms Linda Kho
 Principal
