

COMMUNICATION UPDATES

5 May 2010

Dear Parents/Guardians,

OFFICIAL SCHOOL OPENING: THANK YOU ALL PARENTS FOR YOUR SUPPORT!

We would like to take this opportunity to thank all parents, especially those who have journeyed with us through our early years, for your partnership and support.

Pathlight School started in 2004, with barely 41 students. Against the odds, we have grown rapidly and are now considered to be one of the largest autism schools in the world, serving 555 students.

It was a proud moment for all of us, as our new school was officially opened by Dr Ng Eng Hen, Minister for Education and Second Minister for Defence, on 27 April 2010.

The event itself was a success, thanks to all students and staff. Several students from Track 2 and 3 contributed by presenting, baking cookies and helping out at the Café and DJ booth. It was indeed a day to show the community from all walks of life our students' competencies and talents.

Even as we celebrate the opening of our new school, we are reminded that the building itself is just a hardware. What matters most is the software: the students, programmes and curriculum, staff and supporters. This we cannot do without your partnership and support as we go into the next lap.

We thank you once again, and look forward to working hand-in-hand with you to ensure that the potential of your child is maximized.
