

COMMUNICATION UPDATES

7 July 2010

Dear Parents/Guardians,

As we go full swing into Term 3, here are some updates that we would like to share with you:

HIGHLIGHTS

A VERY SPECIAL WALK (AVSW) HOLLYWOOD EXPERIENCE – PATHLIGHT GIVES BACK! 17 July 2010

The AVSW 2010 Hollywood Experience is drawing near! Do remember to join us for an evening of movies, food and fun from 4pm to 12am. As part of Pathlight's contribution back to the community, proceeds collected will go to Eden School's Building Fund.

To all parents who have volunteered, we thank you for your time and support. There are various other ways where parents can contribute:

WE NEED YOUR SUPPORT IN:

- 1) Flea Market: There will be a flea market at the event. If you have any movie-related items (e.g. original VCDs and CDs, comics, Superhero T-shirts, etc) to donate, please deposit the items at the General Office by 12 July 2010. We do appreciate it if the items are in good usable condition.
- 2) Returning your response slip (given to you on 24 May 2010) by 12 July 2010 if you have not done so.
- 3) Buying more coupons and bringing your family and friends to join us that day!

Pre-booking of movie tickets: Tickets for the movie marathon are limited! To avoid disappointment, do buy your tickets a day before on **16 July 2010, Friday** at the sales booth in front the General Office (11am – 2pm). Don't forget to bring your coupons to make your purchase!

2010 Youth Olympics Games (YOG) Torch Relay

We are proud to announce that there will be 3 Pathlighters who will be torchbearers at the upcoming YOG. This is indeed an honour for the students and some will even be running pass our school compound on 7 August 2010. We will be extending our support and cheers to them that day as they not only are representatives of Pathlight School, but more importantly, they represent the youth of our nation.

National Youth Business Challenge 2010

Congratulations to the Pathlight team who came up tops at the National Youth Business Challenge Finals 2010! The Secondary School students who did us proud were: Elliot Chia, Megan Lee, Lee Zhi Da and Daniel Kwa.

The team bagged the following awards:

- **Overall Champion Award** at the 2-day event
- **Top Most Earth Friendly Enterprise Award**
- **Gold Award**

The National Youth Business Challenge (NYBC) is organised by the Ngee Ann Polytechnic's School of Business & Accountancy. Secondary schools all over Singapore were given a challenge 'to be enterprising for the good of Earth's Environment'. The finals which was held at the Causeway Point Shopping Centre, saw our team pitted against 39 other teams from 28 schools such as Raffles Institution, ACS (Barker), and St Hilda's etc.

Our students came up with the idea of recycling milk and juice cartons into purses, pouches and attractive containers for plants. The Carton Wonders wowed the judges with their great work and a mascot which was the shape of a milk carton.

The event was officiated by Ms Ellen Lee, the MP for Sembawang GRC. The students exuded confidence as they presented their 'green' business ideas to the panel of judges, and made public announcements on stage. Everyone in the team played a part in marketing their products to the shoppers at the mall.

Congratulations once again, Pathlighters! Their hard work and many hours spent on meetings and planning have paid off. Thank you all teachers, Design Studio, YFA interns who had supported the team in one way or another.

Do check out <http://www.nybc2010.com/> and www.pathlight.org.sg for more information.
