

Dear Parents/Guardians

DIRECT CREDITING OF MONETARY AWARDS INTO STUDENTS' PERSONAL BANK ACCOUNTS

In line with the government's call to go cashless and eliminate the use of cheques, our school has implemented direct crediting of monetary awards into students' personal bank accounts.

This mode of crediting will eliminate the need for cheque issuance, enabling smoother and quicker transactions. The bank account provided will be used to credit monetary awards such as the SPED Student Achievement Awards and Bursary, should your child/ward qualify for any.

All parents/guardians **must open a bank account** for your child/ward (if you have not already done so). Kindly note the requirements for the bank account:

- **Bank account holder must be your child/ward.** If he/she does not have a personal savings account, please arrange to open an account for him/her. This account can be a joint account with your child/ward.
- The bank account **cannot be a Child's Development Account (CDA).**

Parents to note:

- Please make sure you maintain this account as long as your child is in Pathlight School.
- To avoid any disruption in payment, please ensure the account remains active, as it will be frozen if there is no activity.

Please email the completed reply slip, together with a copy of the **first page of the bank account showing the name of the account holder, name of bank and bank account number to finance@pathlight.org.sg**

Thank you for supporting us in our move towards going cashless.

REPLY SLIP

DIRECT CREDITING OF MONETARY AWARDS INTO STUDENTS' PERSONAL BANK ACCOUNTS

Name of Child/Ward: _____ Child /Ward BC No: _____
